Your Excellency;

On behalf of The Historical Society of Jews From Egypt and its constituents, we wish to express our most sincere sorrow, and to extend our heartfelt condolences to our fellow countrymen on the tragic loss of so many innocent souls aboard Egyptair flight 990.

We are all so saddened by the destruction of innocent life, that we are unable to express our true feelings in words for this tragedy.

At this time of need and sorrow, our prayers are with the bereaved families and the entire Egyptian nation.

May we join in the near future for only happy occasions. InShaAllah Amen.

Desire Sakkal
