EGYPT SEIZES PROPERTY

Holdings of Those Interned Are Ordered Confiscated

CAIRO. May 31 (UP)—Premier Mahmoud Fahmy Nokrashy Pasha, acting as Military Governor of Egypt, today ordered the seizure of property belonging to individuals interned or placed under surveillance in connection with the Palestine situation. The order applies also to organizations connected with those interned.

There was no mention of Jews in the order. But it was understood that a majority of persons interned or under surveillance were Jews. Others are Communists and assorted "subversive" elements.

Under Premier Nokrashy's order for the seizure of property, the Finance Ministry is to name a director general to administer confiscated assets.

Nokrashy Pasha said that the Government regretted having been forced to take the action but did so after obtaining evidence that many persons and organizations were acting against the interests of the state.
