and light weapons, now were operating with Egyptian forces in Palestine. The Saudi Arabian Army has a limited number of light tanks obtained from the British some time ago.

Air Force Is Active

CAIRO, Egpyt, June 6 (AP)—The Egyptians reported today widespread reconnaissance operations by Egyptian planes and mobile forces on the southern approaches of Tel Aviv.

Mahmoud Fahmy Nokrashy Pasha, Prime Minister of Egypt, told newsmen tonight that Arab armies in northern Palestine had "launched a successful offensive and scored an outstanding victory." He gave no details.

A source close to Nokrashy Pasha said that Egyptian artillery had shelled the Israeli-occupied new city of Jerusalem.

The Arab League announced here that a substantial number of Saudi Arabian troops, equipped with tanks, armored cars, artillery
