Bernadotte Says Prayer Helped His Task Succeed

By Reuters

CAIRO,, Egypt, June 9— Count Folke Bernadotte, the United Nations Mediator, who announced today the success of his negotiations for a four-week truce in Palestine, said tonight that thousands of Swedes had prayed for him during his mission and that without God's help he would have failed.

"My father is 88," he said. "He gave me a Bible before I left Stockholm and said he would pray for the success of my mission.

"I know that thousands of Swedes followed my father and prayed for me during the past fortnight, and without the help of God Almighty I would not have succeeded in my mission."
