Egyptians Report Gains

Special to THE NEW YORK TIMES.

CAIRO, Egypt, July 12—An increase in Egyptian Army activity on the Jerusalem front was indicated tonight by a communiqué from the Ministry of National Defense. The statement said that Egyptians had occupied Ain Karim and Meliha, four and three miles west of the Holy City.

The Egyptians were said to have infiltrated Israeli positions in the Katamon, Mekor Haim and Alamein camp areas, all within Jerusalem, and to have blown up Israeli positions.

Egyptian bombers raided Yehudia and Wilhelma, north of Lydda, in support of Trans-Jordanian troops.
