'2D GIBRALTAR' RULED OUT

Egyptian in U. N. Warns British of His People's Reaction

Special to THE NEW YORK TIMES.

PARIS, Jan. 27—Before the change of the Egyptian Government was announced tonight, an Egyptian spokesman said that Britain never would succeed in turning the Suez Canal zone into "another Gibraltar."

A representative of the Egyptian delegation to the United Nations said the Churchill Government, which, he declared, "might" be thinking of trying to make a Gibraltar out of the zone, would be surprised at the resistance of the Egyptian people.

The spokesman added that there was at least a speculative possibility that the riots in Cairo had been stirred up by British agents.
