# Egypt Charges Attack

Special to The New York Times.

CAIRO, April 27—Israeli forces attacked Egyptian positions in the Gaza area with mortar fire for five hours Sunday and yesterday, according to an Egyptian Army spokesman.

Col. Mahmoud Riad, director of Palestine affairs for the Egyptian Army, said today that Egypt had requested an emergency meeting of the Egyptian-Israeli Mixed Armistice Commission to consider Egyptian complaints on the incident.

Egyptian forces answered the fire from the Israelis across the armistice demarcation line, but there were no casualties, Colonel Riad said.
