NO LETTER FROM NASSER

Report on Note to Eisenhower Proves to Be Erroneous

Special to The New York Times.

WASHINGTON, Nov. 1—President Gamal Abdel Nasser of Egypt has sent no message to President Eisenhower since the Middle East crisis began over the week-end, it was learned today. The Egyptian Embassy, apparently misinformed by Cairo, announced yesterday that such a message had been sent.

It was further learned that Indian Prime Minister Jawaharlal Nehru's messages to President Eisenhower and to Secretary of State Dulles had now been mainly outpaced by events. It was understood that Mr. Nehru's main plea for action was that the Middle East question be taken to the United Nations General Assembly, which has been done.
